PLEASE READ CAREFULLY QUARTER  
Horse Association of Alberta (QHAA) Alberta  
Youth Quarter Horse Association (AYQHA)

**Year end award points can only be counted from the date of postmark on this application.**

Please try to have your application processed by January 1, 2010 as this will make it easier for the points to be tabulated after each show. Your points from any show **WILL NOT** count until you are a member.

**MEMBERSHIPS – IMPORTANT INFORMATION**

Please note that in order to accumulate **QHAA, QHAA AMATEUR** year end awards, **membership must be in the same name as the registered owner of the horse.**

To be eligible for **QHAA open** year-end awards, the **QHAA** membership name must match the registered owner on the horses AQHA registration papers.

*Open exhibitors may show a horse as long as the registered owner has a membership for the horse as it is shown on the registration papers.*

**Attention: Amateur or Novice Amateur members:** You must have a valid, **AQHA** amateur or novice amateur membership to show at **AQHA** approved shows. If you are a Novice amateur, your **AQHA** card must indicate novice status. It is important to apply for your **QHAA AMATEUR** membership early, so there is no confusion if you qualify or not. Points are accumulated on each **Horse/Rider** team; therefore the **QHAA AMATEUR** membership card must be in the individual Amateurs name.

**For example:** If “John and Jane Doe and Doe Enterprises” owns a horse, one \$50 membership must be purchased for this horse to qualify for **QHAA OPEN** year end awards. John or Jane Doe are then entitled to show in **OPEN** classes without purchasing an additional membership. If Jane Doe shows as an **AMATEUR**, she must purchase an individual **QHAA AMATEUR** membership in the name of “Jane Doe” to qualify for **QHAA AMATEUR** year end awards.

**Youth** has a 2 category membership. To compete for Year end awards, Membership is \$50.00 -\$10.00 for a non-competing membership and there is **NO** family membership.

All memberships expire December 31 of the current calendar year. **QHAA/AYQHA** points do not accumulate until your application is received.

**YOU MUST HAVE A MEMBERSHIP IN QHAA, QHAA AMATEUR/AYQHA in order to participate in 2009 year end awards.** If you qualify in Open, Junior, Senior you must hold a **QHAA** membership, Amateur, Novice Amateur, or Select (over 50) classes you must hold an **QHAA AMATEUR** membership. Youth and Novice Youth classes need to hold a membership with the **AYQHA** to be eligible for year end awards. These awards are in addition to any points or cash awards provided by the **AQHA**.
