An exhibitor and/or horse must participate in a minimum number of shows in 2018 to be eligible for year end awards. **Open and Amateur divisions must participate in a minimum of 60% of the shows based on the number of judges shown under. Youth division must participate in a minimum of 35% of the shows based on the number of judges shown under.**

For classes offered at a reduced number of circuits, QHAA members must show in 60% (Open and Amateur), 35% (Youth) of the classes offered to qualify for Year End Awards.

All classes are eligible for year end awards except for classes offered at only 1 circuit throughout the year, these classes will not be eligible for a year end award.

Select Division: 1. Amateur Select members must choose which division they wish to have points calculated in for the year prior to the start of show season or at the time of membership received. 2. If an Amateur Select member is in an amateur class (entered or blended), points will automatically count towards the Select Division and points from their placing will only go toward Select Division calculations.
